

## 2025 LABOR DAY CELEBRATION

# CELEBRATE WORKER SOLIDARITY!

DEAR UNION LEADER,

Workers are organizing, negotiating, striking and standing up to corporate greed. You and your union are invited to celebrate this Labor Day with the Knoxville-Oak Ridge Central Labor Council!

We will have food and music, and will be giving out our annual Kicking Ass for the Working Class Awards to unions and allies of labor for their accomplishments in the past year.

We can also use your help by recruiting your members and families to participate, tabling with information about your union and jobs in your industry or craft, or sponsoring the Celebration with a donation in one of the levels on this letter.

IN SOLIDARITY,

*Shane Smith*
